SURGEON'S CHAIR

E

ENJOY QUALITY AND DESIGN

surgiTrend

Item No.: *2200 0012* with Comfort seat (Illustration)
Item No.: *2200 0010* with Dynamic seat

For back protection and maximum work flexibility in confined spaces. Sophisticated, space-saving drive mechanism with reduced size for ample foot space combines tilt stability with easy and smooth maneuvering. Outstanding sitting comfort and a wide range of adjusting functions allow every surgeon to find his or her personal best and healthiest working position for any work scenario. Available in two seating system types: Comfort or Dynamic.
